The Environmental Law & Policy Center (ELPC), Iowa Environmental Council (IEC) and Sierra Club make this Motion to Make Public a Portion of the Hearing Transcript. In support of the motion, ELPC, IEC, and Sierra Club state:

1. On October 12, 2018, the Iowa Utilities Board held a hearing in Docket No. RPU-2018-0003.

2. A portion of the hearing was held in a confidential closed session. Those hearing pages are included in the transcript from pages 193 through 200.

3. ELPC, IEC, and Sierra Club request that the Board make public transcript page 196 line 2 through page 198 line 24, but keep confidential the second word on page 198 line 17.

4. [REDACTED]

6. The questioning in that page range does not include any trade secret information as granted under Code of Iowa §22.7(3) and is not deserving of protection as a report to the Board which if released would give advantage to competitor and serve no public purpose. There is no reason to keep the information in that page range confidential.

Therefore, ELPC, IEC, and Sierra Club request that the Board make public transcript page 196 line 2 through page 198 line 24, but keep confidential the second word on page 198 line 17. ELPC, IEC, and Sierra Club request a ruling on this motion in advance of the September 16, 2019 deadline for pre-hearing briefs in Docket No. RPU-2019-0001.

Respectfully submitted this 3<sup>rd</sup> day of September 2019.
